*"My father passed away. He loved motorcycles and requested that he be taken to his final resting place in a motorcycle drawn hearse. I called Palmetto Cremation Society and they were so kind. I wanted to fulfill my Father's last wish, and Palmetto Cremation Society. The staff assisted in every way possible. The owner escorted my father to his final resting place. I cannot thank the staff of Palmetto Cremation Society enough for all of their help and kindness. Words cannot describe what they did for my family. Thank you so much."*
